Don't Wait — Get Ready for School!

Make sure your child is up-to-date on their vaccines before the school year starts. Scheduling early increases your chances of getting an appointment before school begins.

Kindergarten	7th Grade	12th Grade
Before starting Kindergarten, your child needs: • 4 or more DTaP • 3 or 4 Polio • 3 Hepatitis B • 2 MMR • 2 Chickenpox *(Varicella)*	**Required:** • Tdap *(Tetanus, Diphtheria, Pertussis)* • Meningitis **Recommended:** • Hepatitis A • HPV *(Human Papillomavirus)*	**Required:** • Meningitis Booster

Call Today to Schedule! Talk to your child's doctor or contact your local health department to make sure your child is protected and ready for school.
