# Don't Wait — Get Ready for School!

Make sure your child is up-to-date on their vaccines before the school year starts. Scheduling early increases your chances of getting an appointment before school begins.

Kindergarten	7th Grade	12th Grade
<p><b>Before starting Kindergarten, your child needs:</b></p> <ul style="list-style-type: none"><li>• 4 or more DTaP</li><li>• 3 or 4 Polio</li><li>• 3 Hepatitis B</li><li>• 2 MMR</li><li>• 2 Chickenpox (<i>Varicella</i>)</li></ul>	<p><b>Required:</b></p> <ul style="list-style-type: none"><li>• Tdap (<i>Tetanus, Diphtheria, Pertussis</i>)</li><li>• Meningitis</li></ul> <p><b>Recommended:</b></p> <ul style="list-style-type: none"><li>• Hepatitis A</li><li>• HPV (<i>Human Papillomavirus</i>)</li></ul>	<p><b>Required:</b></p> <ul style="list-style-type: none"><li>• Meningitis Booster</li></ul>

**Call Today to Schedule!** Talk to your child's doctor or contact your local health department to make sure your child is protected and ready for school.
